1b) What is my child learning at school? How can a parent review these materials?

In North Carolina, all schools use the same Standard Course of Study, determined by the State Board of Education. These standards are the knowledge and skills students should understand by the end of each grade/course.

The following standards can be found at [NCDPI Office of Academic Standards website](#)

There are standards for: Arts Education, Career Technical Education, Computer Science, English Language Arts, English Language Development, Student Success Standards, Healthful Living, Information and Technology, Mathematics, Science, Social Studies, and World Language.

Local districts, schools and teachers determine how to teach these standards, including curriculum, supplementary materials, books, etc.

HEALTHFUL LIVING: Reproductive Health and Safety

The Charlotte Secondary School health education program will be taught to students from grades 5-9. In grades 5-9, Charlotte Secondary School students learn about Reproductive Health and Safety (Family Life Education). CSS provides quality Family Life Education instruction for your child. Our Health/PE dept. Uses only approved curriculum materials when teaching in the classroom.

	<p>Charlotte Secondary School will communicate with parents prior to beginning the Reproductive Health and Safety Unit. All parents/guardians have the right to “opt out” of this unit. This “opt out” must be in writing to the principal and teacher stating you do not want your child to participate. Substitute lessons will be assigned.</p> <p>Charlotte Secondary School offers Career and Technical Education (CTE) courses to our Occupational Course of Study students, allowing students to explore careers and acquire credentials. Access information on CTE Career Clusters, Pathways, Course Details, and Credentials on the link below.</p> <p>NC Course Management System</p>
<p>1c) How will a parent learn about my child’s progress in school or with a class?</p>	<p>Charlotte Secondary School shares the progress of students through a variety of ways. Students receive progress reports every 4.5 weeks and report cards at the end of every quarter (every 9 weeks). These are sent to families along with areas for improvement. This is a key form of academic communication between Charlotte Secondary School and its families. Please refer to the link below.</p> <p>Charlotte Secondary School Parental Involvement Policy</p> <p>Students in grades 6-12 receive a Traditional Report Card calculated using a 10-point grading scale. Parents have access to their child’s grades 24/7 using PowerSchool’s Parent Portal. Parents can login to Parent Portal by visiting the Charlotte Secondary School’s website, www.CharlotteSecondary.org and click PowerSchool Parent Portal under the Resources tab. If you do not yet have a Parent Portal login, contact your child’s school. https://charlottesecsecondary.powerschool.com/public/</p> <p>The NC transcript contains grades from all high school classes, weighted and unweighted Grade Point Average (GPA), standardized test data and student demographics. Students may ask for an unofficial transcript at any time. CSS provides each senior with three official</p>

	<p>transcripts at no charge (for college applications, programs, scholarships, etc.). In addition, there is no charge for mid-year senior transcript, final transcript after graduation, and transcript for any award or scholarship requested. After a student graduates, a five dollar charge will be applied for any additional transcript request.</p> <p>State Assessments: Individual Student Reports for end-of-grade/course tests and other state assessments (English language proficiency assessment) are accessible in the parent portal of the NC-SIS (PowerSchool) at this Parent portal All NC students take end-of-grade assessments for reading and math in grades 3-8. Students take end-of-grade science assessments in grades 5 and 8. High school students take end-of-course assessments in English II, Biology, NC Math 1, and NC Math 3.</p> <p>Students in Grade 10 take the Pre-ACT. Students in grade 11 take the ACT. Students who are CTE Concentrators in Grade 12 take ACT WorkKeys. Those results are shared by ACT.</p> <p>.</p>
1d) What are the qualifications of my child's teachers?	<p>The licensure look up webpage does not include current employment information. Parents may need additional information (i.e., middle name or license number) to identify the teacher accurately. Substitute teachers (either short or long term) may not hold a NC teaching license.</p> <p>Please contact our Human Resources office at 704-295-0137 to verify an educator's licensure status.</p>

NC Cooperative Innovative High Schools</p> <p>At Charlotte Secondary School, students are often provided the following services:</p>

- Differentiated curriculum and instruction with flexible student groups;
- Accelerated opportunities (subject and/or grade acceleration, credit by demonstrated mastery (CDM), AP/IB/CIE courses, dual enrollment courses)
- Enrichment experiences, which may be during the school day or beyond, and may be within the regular calendar year or may include summer opportunities; and
- Other opportunities are extended during the school day.

Honors Level Courses: Charlotte Secondary students have access to a variety of honors level courses in high school. These courses are available in the course catalog located at [2024 Curriculum Course Guide](#).

Honors level courses typically have a faster pace than standard level courses. They offer additional rigor, complexity and creativity than standard level courses.

Career and College Promise (CCP): Charlotte Secondary School partners with Central Piedmont Community College to offer dual enrollment opportunities through the CCP program. If your high school student qualifies, students may earn high school and college credit.

CCP courses may be taken in the College Transfer or Career and Technical Education pathway. These courses count for both high school and college credit. Tuition is free for families.

To learn more about this program, contact your child's high school counselor or principal. Additional information is available at [CPCC Dual Enrollment](#)

NCVPS [North Carolina Virtual Public School \(NCVPS\)](#) is NC's state supplemental program and leader in online education, providing inclusive learning opportunities for students

across the state. Founded in 2007, with a strong commitment to ensuring quality education for all students, regardless of location, NCVPS has over 16 years of experience serving diverse learners.

Students may enroll in NCVPS courses for a variety of reasons. Work with your school counselor if you are interested in taking NCVPS courses.

Governor's School: Each summer, NC Governor's School offers a unique opportunity for high-achieving rising juniors and seniors to learn with their peers from across the state in an 4-week residential program at two college campus sites.

For more information on eligibility and the application process, contact Geneieve Fast or visit the Governor's School website, www.ncgovschool.org.

Summer Ventures in Science and Mathematics is a no-cost, state-funded program for academically talented North Carolina students who aspire to careers in science, technology, engineering, and mathematics. Students presently in the 10th or 11th grade in high school whose custodial parents or guardians established legal residency in North Carolina no later than December 1 of the current year can apply to this program. These students must have high academic ability and motivation and have a keen interest in science and mathematics. The program is not designed to provide incentive for students whose academic performance reflects a lack of self-motivation or discipline. Consideration is given to students whose abilities are not accurately reflected in grades and standardized test scores, such as those for whom English is a second language and those who have exceptionalities. Applications are completed online through CFNC.org beginning in October (students must know their CFNC ID). Students should see their counselor for more information. Official application information can be found at: <https://www.ncssm.edu/summerventures>.

Charlotte Secondary School selects 4 juniors with the highest academic averages. **Junior Marshal** is an honor bestowed on the top academic students from the high school junior
